Introductions

The QJY-CW-320A magic long wool scarf knitting machine uses acrylic fibers, terylene, bulk yarn rabbit yarn etc as the material to knit seamless scarf with any stripes. The machine can stop automatically when the yarn breaks. The knitted scarf has attractive styles, soft and bright color. It can change into assorted clothes accessories by different wearing styles, such as hat, tippet, jacket, skirts and evening dress. So we also call it "magic scarf". It is not only warm and attractive, but also changeable. Key spare parts like cylinder and inner sinker stand are made from good steel. It is real and durable.
